Education

Jaypee Institute of Information Technology, Noida
B.Tech in Information Technology

Expected May 2028
CGPA: 8.0/10.0

Technical Skills

- **Languages:** Python, JavaScript (ES6+), C++, PHP
- **Backend:** Node.js, Django, REST APIs, JWT
- **Frontend:** React.js, HTML5, CSS3, Tailwind CSS
- **Databases & Tools:** PostgreSQL, MySQL, Git, GitHub, Postman
- **Soft Skills:** Problem Solving, Adaptability, Collaboration

Projects

Full-Stack Retail Platform (Client Project)

Feb 2026

JavaScript, Node.js, Prisma, PostgreSQL, Razorpay, Tailwind CSS

[GitHub](#)

- Delivered a production-ready e-commerce platform deployed on Vercel with Neon (serverless PostgreSQL), enabling a retail client to take their business online with real payment processing via Razorpay.
- Empowered non-technical shop owners through a full admin dashboard to independently manage products, categories, orders, pricing, and delivery — eliminating the need for developer intervention.
- Enabled seamless customer identification by linking phone numbers to order history, allowing users to track all their orders without requiring account registration.

CampusConnect – Student Community Platform

Jan 2026

Node.js, MySQL, REST APIs, JWT

- Developed a backend-driven college community platform enabling students to discover clubs and register for events.
- Implemented secure authentication using JWT and bcrypt with role-based access control for Students and Admins.
- Designed normalized relational database schema with MySQL to manage clubs, events, and user registrations.

Positions of Responsibility

Technical Volunteer

Oct 2025 – Present

AI/ML Hub of IIIT

- Coordinated technical workshops and provided debugging support to 50+ students during hands-on coding sessions.

Core Team Member (Management)

Sept 2025 – Present

GDG-128 (Google Developer Groups)

- Delivered a session on modern web development concepts for freshers, simplifying complex topics.
- Managed event logistics and technical operations for developer community events.

Achievements

- Solved **300+** problems on **LeetCode** (Max. Rating **1447**)
- Qualified for the **Smart India Hackathon (SIH)** internal college-level round.
- Won **Hackin' Winters Hackathon** organized by **DSC-JIIT**.
